LTH-500 Hydraulic Lifting Table / Lifter Trolley – 500 kg

Foot-pump hydraulic scissor lift trolley. Per the LTH-500 manual: capacity 500 kg, table 815 × 500 mm, lift range approx. 280–900 mm, wheel brakes. Confirm against the unit's data plate.

PRE-START CHECKS

- Frame and scissor arms not bent or cracked; table flat.
- No hydraulic oil leaks; table rises with the pedal and lowers slowly with the release handle.
- Wheels and brakes work; handle secure.
- Data plate/capacity marking legible.

HOW TO OPERATE – BASIC STEPS

1. Use only on solid, flat ground – never on slopes or rough ground.
2. Apply the brakes before loading. Place the load centrally and evenly on the table; never exceed 500 kg; do not load loose or unstable items.
3. Pump the foot pedal to raise the table.
4. Lower by lifting the release handle slowly – keep hands and feet clear of the scissor area.
5. Do not move the trolley while lifting or with the table raised; lower first, release the brakes, then move.
6. Do not drag loads sideways across a raised table.

KEY HAZARDS

- Crushing of hands/feet under the descending table or in the scissor mechanism.
- Tip-over from off-centre loads, slopes or moving when raised.
- Overloading; load falling. Never stand or sit on the table.

REQUIRED PPE

- Safety boots, gloves.

REFUELLING / POWER / CHARGING

- Not applicable – manual hydraulic (no fuel/power).

STORAGE & RETURN

- Return with the table fully lowered, clean, no load left on it.
- Return with all accessories supplied. Report any damage, fault or near-miss at return – do not attempt repairs.

MANUFACTURER MANUAL & SDS

- **Manual:** LTH-500 instruction manual: ask us for a copy at pickup.
- **SDS:** Not applicable – no hazardous substances supplied with this item. SDS for any products you use with it (e.g. cement, paints) must be obtained from that product's supplier.

Licence / competency: No licence required. Users must be competent and follow manual-handling procedures.

EMERGENCY: call 000 (Police/Fire/Ambulance) • Poisons Information 13 11 26 • Foothills Hire breakdown / after-hours: **0433 060 086** • Site first aider / supervisor: _____

IMPORTANT – READ BEFORE USE. This sheet is a summary only and does not replace the manufacturer's operator manual. The hirer must read, understand and follow the manufacturer's manual and all warning labels before use, and must ensure every operator is trained, competent and – where required – licensed for this equipment and task, as required by the Work Health and Safety Act 2020 (WA) and the Work Health and Safety (General) Regulations 2022 (WA). Do not use equipment that is damaged, untagged or out of inspection date – stop and contact Foothills Hire. Foothills Hire is a business name held by Foothills Industries Group Pty Ltd, ABN 38 688 848 302.
